3. Delegation Update – April 2016

Arrival (14.03.2017) and Departure (25.03.2017) Airport:

Please find attached the information about which airport your delegation should plan to arrive at and depart from. The listed airport is the closest to the Host Town assigned your delegation. The GOC will be responsible for the costs of the shuttle from the listed airport to the Host Town and on to the Games site (Graz and Schladming) and back to the listed airport for your departure. If a delegation arrives at a different airport than on this list, we can not provide a shuttle and the delegation must pay the cost of the shuttle on their own.

The arrival and departure destinations for delegations arriving and departing by train are the same as the destination listed for the airport.

Please notice: Programs arriving by buses will receive the address of the Host Town Program from the GOC.

Delegations who are coming earlier or departure later, are responsible for the cost. The GOC will be covered the onsite cost from 14.03.2017-25.03.2017.
