To Whom It May Concern:

This official letter, written by the **technical delegate of Special Olympics Dancing, Dr. Pierre Gider** explains that we will host the **Special Olympics World Dance Contest 2017 at the World Winter Games in Austria 2017**.

The contest will take place in Graz on 03/22/2017. Our ambassador for dancing during the World Winter Games **Louis van Amstel** will be a member of the judging panel.

Besides the contest we are also planning to host some smaller dance parties/events in our Olympic towns. A dance show will also be incorporated in our closing ceremony on 03/24/2017!

Within the World Winter Games 2017, dancing should be further introduced as a demonstration sport and we would like to encourage as many people as possible to help us making this successful!

If you have any questions, don't hesitate to contact me!
